

Walkathon 2024 Pledge Form

Friday May 10th I am participating in Burley’s Walkathon & Fitness Challenge! We hope to raise over \$30,000 to fund essential staffing positions, music program, technology, the sustainability curriculum and more.

Please help me Raise It Up by donating a specific amount as I participate in challenges and activities that blend teamwork, physical activity and competition. All donations must be received by Wednesday May 8th. You can also pledge online at: FriendsOfBurley.org/walkathon (please include my name and room number!)

Checks may be made payable to “Friends of Burley”. Contributions to the Walkathon & Fitness Challenge are fully tax-deductible as Friends of Burley’s sole mission is to raise the funds that Burley School needs to stay awesome.
