

Burley Community Park Legacy

Be a permanent part of the Burley landscape!

Friends of Burley are launching a fundraising campaign for a beautiful community park including a turf athletic field, latex running track, new basketball court and tetherball. Your family or business will always be remembered through this gift campaign. Burley families and friends can make this dream a reality by participating in a unique (and limited) number of naming opportunities that will help fund the Burley Community Park.

Please complete this form including contact information, item selection and payment. An additional form will be sent prior to installation, requesting print and message information for plaque engraving.
